Every transaction you make is your entry to win great prizes and giveaways too including GPS Systems, Gift Cards and more!

There are more than 250 shared branches in Florida alone where you can transact business just as if they were in your own Credit Union branch. It's why we're part of CU Service Centers – to provide you with convenient access to your accounts at many locations, whether you're near or far from home.

CU Service Centers aren't full service Credit Union branches, but they are convenient places to make routine transactions such as deposits, withdrawals, loan payments and more. (Be sure to have your photo ID and member number.)

And, now, Florida Shared Facilities is the "branch" where it all happens. You'll increase your chance to win great prizes every time you transact at a CU Service Center during June and July 2009.

For the location nearest you, log on to www.creditunion.net and enter your zip code or call us today. You can even download GPS locations at no charge. And get ready to get packing in the Going Places and Win Sweepstakes.

*Visit any participating Florida Shared Branch Facility for complete sweepstakes rules and entry forms. Some transaction availability may vary by Florida Shared Branch Facility. No transaction is necessary to enter the Going Places and Win Sweepstakes. Entrants must be at least 18 years old to win a prize.
